Dear Editor,

We wish to submit an original research manuscript entitled "**A Thematic Review on Accountability Index Publications: Analysis of Patterns and Trends**" for consideration by Asian Journal of Accounting & Governance (AJAG) publication. We believe this manuscript is appropriate for publication by AJAG because it gives knowledge of practice related to business management discipline.

In this manuscript, we highlighted and discussed three themes related to an accountability index. We believe this manuscript will contribute to new knowledge and provide an opportunity to promote a better understanding of the development process of the accountability index and its functions.

We confirm that this work is original and has not been published elsewhere, nor is it currently under consideration for publication elsewhere.

We have no conflicts of interest to disclose. Please address all correspondence concerning this manuscript to me at lieya.phd@gmail.com.

Thank you for considering this manuscript.

Sincerely,

Juliana Saleh
