Dear Prof.,

I would like to submit the manuscript entitled "Parents' Challenges Against the Intention of the Implementation of the 12-Year Compulsory Education Policy in Malaysia" by Juliana binti Mohd Janjang, Associates Prof. Dr. Mohamed Yusoff bin Mohd Nor and Dr. Aida Hanim binti A. Hamid to be considered for publication as an original article in e-Bangi: Journal of Social Sciences & Humanities.

2. In this paper, we report the parents' challenges against the intention of the implementation of the 12-year compulsory education policy in Malaysia. This study found that parents faced four themes of challenges in implementing the 12-year compulsory education policy. We believe the results of this study will become a reference for policymakers. In addition, we also believe these findings will be of interest to the readers of your journal.

3. We declare that this manuscript is original, has not been published before and is not currently being considered for publication elsewhere. We know of no conflicts of interest associated with this publication that could have influenced its outcome.

4. For your information, I am the corresponding author for this paper. I also confirm that the manuscript has been read and approved for submission by all the named authors. We hope you find our manuscript suitable for publication and look forward to hearing from you in due course.
