ABOUT THE AUTHORS

Ong Cheng Teik holds a PhD in English linguistics. He has taught and co-ordinated English language, linguistic and education courses. His research interests include critical analysis of media and political discourses; code-switching; open and distance learning.

Hajar Abdul Rahim is Professor Linguistics in the English Language Studies department, School of Humanities, Universiti Sains Malaysia.

Kumaran Rajandran is a Senior Lecturer in Linguistics at the School of Humanities, Universiti Sains Malaysia. He primarily teaches courses in English Linguistics. His research involves the multimodal study of corporate, historical, political and religious discourses. He also explores the articulation of identity and ideology in contemporary societies.
